

APPLICATION FOR AN URBAN ENTRANCE ON ROAD ALLOWANCES

BY-LAW NUMBER 1678-2011

1. New entrances and maintenance of existing entrances
 - (a) The property owner is to pay the actual Township cost for the culvert plus current installation cost which includes all equipment, labor and materials.
 - (b) Culvert sizing and length is determined at the discretion of the Director of Public Works

2. Curbs
Curb Cuts can be arranged by Township if needed at cost of \$600.00

The above fees & charges were established by By-law adopted by Council.

I/We hereby agree to pay the Township of Blandford-Blenheim the cost as may be required for the culvert, a curb cut or any installation if needed.
