# **1. Executive Summary**

The Township of Blandford-Blenheim is seeking an experienced recreation provider interested in partnering with the Township to deliver high-quality Summer Day Camp programming beginning in Summer 2027.

The Township is looking for a partner that can provide safe, affordable, inclusive, and engaging recreation opportunities for children while maximizing the use of Township-owned recreation facilities.

Although the initial focus of this Request for Information (RFI) is Summer Day Camps, the Township is also interested in learning about additional recreation programming opportunities that may be offered throughout the year.

Responses received through this RFI will assist the Township in identifying a preferred organization for future partnership discussions.

# **2. Introduction**

The Township of Blandford-Blenheim is committed to providing quality recreation opportunities that improve the health and well-being of residents while making effective use of municipal facilities.

The Community Services Department is seeking information from qualified organizations interested in operating Summer Day Camps beginning in Summer 2027.

The Township is interested in organizations that have demonstrated experience delivering safe, professionally operated camps that encourage recreation, creativity, learning, inclusion, and community engagement.

### 3. About the Township

The Township of Blandford-Blenheim is located in Oxford County and provides numerous parks, recreation facilities, playgrounds, trails, halls, sports fields, and community gathering spaces.

The Township has invested significantly in recreation infrastructure, including accessible playgrounds, accessible washroom improvements, splash pads, parks, and community facilities to better serve residents.

The Township wishes to continue expanding recreation opportunities through partnerships with experienced organizations that share our commitment to quality programming.

Currently we have to drive far for camp options. Daily vs weekly helps with kids attention and fatigue. I would use either regularly if available |

My kids are older now but don't even want to work at the current camps because of the religion being forced at them. They would all like to work at a non-church camp |
